

Poestenkill Water District

PROJECT UPDATE

Construction Schedule

Contracts No. 1 and 2

Tuesday, February 23, 2010

This update is to aid in notifying the residents of the Towns of Brunswick and Poestenkill of the estimated construction schedule for the next two weeks. Scheduling is subject to change based on weather and site conditions.

If you are one of the affected property owners on the roads mentioned below, PLEASE identify where you would like your proposed water service to be located by placing a lawn flag (replacement flags are at Town Hall) at the proper location. If you do not know where you would like your service located call Town Hall. We will try to get you some advice in that regard.

The tentative short term construction schedule for the project is the following;

Contract No. 1

- **Thursday, March 4th** – Mobilization of equipment and material to staging areas on Spring Ave. within the Town of Brunswick.
- **Monday, March 8th** – begin work at the intersection of Menemsha Lane and Pleasantview Avenue. Continue south along Pleasantview to Spring Avenue.
- **Monday, March 8th** – begin work on Spring Avenue 1000 feet north of spring Landing Blvd. then continue south on Spring Avenue.

Contract No. 2

- **Wednesday, February 24th** – begin placing signage notifying residents of the beginning of construction on the project.
- **Monday, March 1st** - begin work at the southern intersection of Spring Avenue Extension and Weatherwax Road. Proceed south along Spring Avenue Extension to Route 355.
- **Monday, March 1st** – begin at the intersection of HINKLE Road and Route 351 and proceed up the hill.
- **On or about March 12th** – begin installation along School and Veteran Road and begin the work on Garfield and John Avenue.
